# ROXBURY POLICE DEPARTMENT

## Report of Activities for 1993

BELOW PLEASE SEE A FOUR YEAR SUMMARY OF COMPLAINTS.

	1993	1992	1991	1990
ACCIDENTS	7	7	15	14
ANIMALS	9	13	6	18
AUTOS	40	22	26	38
BURGLARIES	0	2	2	2
THEFTS	4	7	6	3
ILLEGAL DUMPING	7	3	4	0
MISC. COMPLAINTS	47	52	64	83
	<hr/> 114	<hr/> 107	<hr/> 126	<hr/> 169

As you can see the complaints go up and down from year to year. The two most serious problems are illegal dumping, and automotive related complaints. The auto complaints mainly are due to seasonal operations of Otter Brook Dam. Most of these complaints are covered by the security contract that the town has with Otter Brook Dam. The illegal dumping problem has been tough for this department to solve. Most of the items dumped are not traceable. We have had some luck because two residents saw a vehicle in a remote area, and were able to get a license plate number for us to follow up on. However most of the time, these items are dumped when no one is at home or on the road. From some rubbish that has been dumped in the past, we have been able to get information to help identify the owners. There are other times we come to a dead end as people moved with no forwarding address. The other items that have serial numbers are not traceable as companies do not record who the item was sold too. WE ASK THAT IF YOU SEE A STRANGE VEHICLE IN YOUR NEIGHBORHOOD, THAT MAY BE DUMPING ILLEGALLY, TO CALL SO WE CAN CHECK IT OUT.

**EMERGENCY 352-1100**

**NON-EMERGENCY 352-1291**

**GIVE THE FOLLOWING INFORMATION AS ASKED BY THE DISPATCHER:  
NAME, ADDRESS INCLUDING ST.#, PHONE NUMBER, TOWN, LOCATION OF  
PROBLEM, NATURE OF PROBLEM**

The new 911 street numbers are now in effect. Learn what the number of your house is on your street. The 911 phone system is not on line yet. However, now that the town has the new listing, we and everybody else will be using it. This will cut the time down emergency personnell will have to take finding your house. The officers of this department may know where you live, but if we are not available, and the state police are coming to your house, they may need better directions. So please make sure that the dispatcher has all the information needed before hanging up. Last year I made a statement that the newspaper picked up on and made a comment in the paper. The printers omitted part of the following sentence.

TIME CAN MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH. IF YOU SEE SOMETHING STRANGE REPORT IT.

#### ALARM SYSTEMS

We ask anyone who has an alarm system or has had one installed this year to contact the police dept. We keep a list of alarm companies, types of alarms, and a list of at least three (3) people that you trust, that we can call, that have a key, that know how your alarm works, and can reset it. The alarm companies are supposed to take care of all of this. However, there have been times when we were not able to check a property properly, as no contact could be reached. You people pay to have these alarms monitored. Let us help give you the best protection we can.

#### PISTOL PERMITS

The applications can still be obtained at the selectmen's office. Please allow 14 days for processing. The fees have changed as of January 1, 1994. The fee will now be \$10.00 for 4 years, instead of \$4.00 for 2 years.

I will be looking forward to serving you in the upcoming year. I want to thank the selectmen and town clerk for their assistance and support in the past year. I can be contacted night or day thru the dispatch center via use of a paging system. If you need to speak with me, I'm available – 24 hours a day.

Respectfully submitted,  
Chief Neal F. Collier  
Roxbury Police Department

## REPORT OF ROAD AGENT

Summer Maintenance .....\$13,924  
Winter Maintenance ..... 15,443  
**TOTAL ..... \$29,367**

Completed general maintenance, graded Town roads and cleaned ditches.  
Steve Yardley, *Road Agent*

## REPORT OF SCHOOL BOARD REPRESENTATIVE

The proposed 94-95 school district budget is \$15,345,566.. which is an increase of 9.9% over the 1993-1994 budget. Roxbury's estimated tax will increase by \$5.13 per \$1000. or a 29% increase in the School Tax Rate. This large increase is a result of higher assessments and less foundation aid.

As usual it has been a very busy year in the Monadnock Regional School District.  
Respectfully submitted,  
Glenn White  
*School Board Representative*

## REPORT OF THE HEALTH OFFICER

The Town of Roxbury is a seemingly healthy town. In the past year, we have had two septic systems inspected and no complaints investigated.

Respectfully submitted,  
Glenn White  
*Health Officer*

## ROXBURY BOARD OF ADJUSTMENT

A meeting was held on June 30, 1993. At that time a request for a variance of Article V Section B1 was denied to Mary-Ann Kristiansen & Larry Welkowitz.

Submitted by,  
Sandra LaPlante  
*Secretary*

**Article 3:** To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for salaries and expenses of the Police Department. Motion carried.

**Article 4:** To see if the Town will vote to raise and appropriate the sum of \$300.00 for Town Welfare and Emergency Assistance of Town Poor. Motion carried.

**Article 5:** To see if The Town will vote to raise and appropriate the sum of \$800.00 for expenses and maintenance of the Fire Department. Motion carried.

**Article 6:** To see if the Town will vote to raise and appropriate the sum of \$400.00 for upkeep of the cemeteries. Motion carried.

**Article 7:** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, and will vote to raise the sum of \$1000.00 for interest expenses. Motion carried.

**Article 8:** To see if the Town will vote to raise and appropriate the sum of \$100.00 for a contingency fund. Motion carried.

**Article 9:** To see if the Town will vote to raise and appropriate the sum of \$11,500.00 for summer and winter maintenance. Motion carried.

**Article 10:** To see if the Town will vote to raise and appropriate the sum of \$226.00 to support the Mental Health Service Program of Monadnock Family and Mental Health Service. Motion carried.

**Article 11:** To see if the Town will vote to raise and appropriate the sum of \$21,131.00 for highway construction and reconstruction. Selectmen's Comment: These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly expended a vote is required. Motion carried. Discussion followed regarding planned summer road improvement projects for Davis and Middletown roads. Branch Rd. is a State maintained road.

**Article 12:** To see if the Town will vote to raise and appropriate the sum of \$450.00 as the Town's planning expenses and its share of expenses for the operation of the Southwestern N.H. Regional planning Commission. These funds to be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried.

**Article 13:** To see if the Town will vote to raise and appropriate the sum of \$11,700.00 to be paid for dump privileges in the Town of Marlborough. Selectmen's Note: This charge is based on our use of the Dump and the cost to maintain as well as eventually close the Dump. Motion carried. Discussion followed. Selectmen said that this year's amount should have been \$9,500.00, but because the closing costs of the dump have increased due to longer monitoring needed, our share, which is a percentage based on the number of residents, has also increased. Marlborough is now keeping a record of permits issued to Roxbury residents so they will have accurate numbers. The committee that was formed last year to study alternatives reported that our best plan is to stay with Marlborough. After the capping of the landfill, Marlborough will continue the operation of its recycling center and will continue to accept white goods and anything it accepts now. What it cannot recycle will be trucked away somewhere.

**Article 14:** To see if the Town will vote to raise and appropriate the sum of \$1,500.00 as its fair share of stand-by costs for the use of the City of Keene's Ambulance service. Motion carried.

**Article 15:** To see if the Town will vote, by ballot, to dissolve the Ashuelot Valley Refuse Disposal Districts organized under RSA Chapter 53-B [the "District"], pursuant to the provisions of Article VI, section 7 of the district agreement for the District and the provisions of the plan of dissolution approved by the district committee of the District, a copy of which plan of dissolution has been submitted by the District to the Town. [note: 2/3rds majority required to approve. Motion carried. 53 ballots cast. 52 voted Yes. 1 Voted No. Dissolution approved.

**Article 16:** “Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 89 years, \$15,000; for a person 80 years of age or older \$20,000. To qualify the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have a net income of less than \$10,000 or, if married a combined net income of less than \$12,000; and own net assets not in excess of \$40,000 excluding the value of the person’s residence.” Motion carried by ballot vote. 53 ballots cast. 51 Yes, 2 No. Discussion: Selectmen pointed out that this would add about 9 cents to the tax rate or 18 dollars a year to a property owner’s tax bill, assuming a \$200,000. valuation, an that is little enough to pay to keep our elderly in their homes and off welfare.

**Article 17:** To transact any other business which may come before said meeting.

A thanks from the Selectmen on behalf of the Townspeople to Jim and Sharon Rousmaniere for their gift to the Town of an American Flag for display in the Meeting House.

A report from the Selectmen on the tax issue with Keene. As a result of favorable talks with Keene we had a legal document drawn up agreeing to a reduction in value assessment in return for a promise of no building development. At the last minute Keene backed out. The last communication from Keene was that they would come up with some new proposal. We are waiting.

In response to holding budget hearings the selectmen said that since the Town never adopted the Chapter 32 Budget Hearing Laws we are not legally bound to hold them. Past experience with such hearings was that no one except the Selectmen showed up and thus the practice was dropped. However the Selectmen would resume them if such was the strong feeling of the Townspeople. In the discussion, residents praised the Selectmen’s fiscal judgements and agreed that in our small town there is ample opportunity to question the Selectmen on Budget before Town Meeting.

As a result of Townspeople’s interest, the Selectmen will look into joining the N.H. Municipal Association for the benefit of possibly lower insurance and their legal help hotline. This will be a warrant article next year.

A resident asked the Selectmen to see if Keene would consider gating the road to Woodward Pond in the winter and mud seasons. In the winter it isn’t plowed, anyway, and any vehicles that attempt travel on it only damage the road for recreational use. And the damage done to the road during mud season by mud bog enthusiasts is costly to the town. There was general agreement on this.

Again the dumping of trash in Town was discussed. Chief Collier emphasized that positive ID is essential in apprehending culprits. A license number and description of driver. General alertness on everybody’s part is very helpful.

Volunteers, led by Fred White did a great job of painting the Town Hall.

Residents enjoyed the 5th Annual Potluck Supper. Every year the food and participation gets better.

Meeting adjourned at 9:20 p.m.

Respectfully submitted,  
Marika Stuhlsatz, *Town Clerk*
